TIGER CLAW

The theme chosen for this year's TIGER CLAW is a subject that is as truly American in its development as it is universal in its appeal. Today the motion picture is our nation's foremost form of entertainment. From the shaky, jumpy, silent cinema of yesteryear to the billion dollar, constantly improving industry it is today, the movie has stood as a constant source of entertainment and symbol of truly American ingenuity.

This year's TIGER CLAW is dedicated to the graduating seniors. It is my own personal desire that this book may serve to call back over memory's haze and be a constant reminder of the many unforgettable days spent in Clarksville High School.
